

**"THE 2011 RADIO NETWORK SPECIAL CHILDREN'S CHRISTMAS PARTY"**

**"EXECUTIVE PACKAGES"**

Radio Hauraki 91FM, 89.4ZM, Newstalk ZB and Easy Mix 99FM, in association with the Cancer Society of New Zealand and Variety – The Children’s Charity, are pleased to submit this proposal for the 2011 Radio Network Special Children’s Christmas Party. After extremely successful events in the last 10 years, this year’s event will be held, once again, at the Mystery Creek Events Centre on Saturday December 5<sup>th</sup>. The children invited to the party will be sourced through various **local** community, charity and Government organisations and will be suffering with one or more of the following; life threatening illness, physical or intellectual impairment, domestic violence or living in disadvantaged circumstances.

**PLANNING**

Staff of the Radio Network Special Children’s Christmas Party are now organising this event with one purpose in mind - to put smiles on these children’s faces for at least one day this year. We are budgeting for over 1800 children to attend this **FREE** Christmas party.

The party will start at 11am on Saturday December 5th and go for three and a half fun-filled hours during which time the children will be treated to a star-studded stage show featuring many local and national artists. There’ll also be rides, face painting, merry-go-rounds, jumping castles and animal farms etc. There will be the opportunity to meet many celebrities who will be there to sign autographs. With all this fun to be had, the children will need all the burger buns, chippies, drinks, fruit, water, lollies, sandwiches and ice creams, etc, that we can provide.

Father Christmas will arrive in a spectacular fashion, even though Rudolph and the boys have the day off. After greeting everyone from the stage, Santa will meet all the children individually in his HUGE Toy Cave, where **each child will come to collect 3 or 4 of their very own high quality Christmas presents**. Last year there were over 7000 gifts in each Santa’s cave large which included large soft toys, educational laptop computers, building sets, toy kitchen sets, radio controlled racing cars (for both boys & girls) MP3 players, backpacks, cosmetic cases, connect & learn sets ,air hockey sets, pirate sets, and many more!!
