

THE RADIO NETWORK SPECIAL CHILDREN'S EXTRAVAGANZA EXECUTIVE PACKAGES

The Radio Network (Newstalk ZB, Classic Hits 96.7 FM, Radio Sport and Radio Hauraki 92.6 FM) Taupo Special Children's Extravaganza is pleased to submit this proposal for the 2011 Special Children's Extravaganza in association with the Cancer Society and Variety the Children's Charity. After extremely successful parties in the past 11 years throughout New Zealand this event will be held in Hawke's Bay at the Pettigrew Green Arena from 11am to 2.30pm, on Saturday September 25th. Transport will be provided to and from the event. As usual the children invited to the party will be sourced through various schools, community / charity and Government organisations and will be suffering from one or more of the following: - life threatening illness, physical or intellectual impairment, domestic violence, or living in underprivileged circumstances.

PLANNING

Staff of the Radio Network Special Children's Extravaganza are now organising this event with one purpose in mind - to put smiles on these children's faces for at least one day this year. We are budgeting for in excess of 800 children to attend this FREE Party.

The party will start at 11am and go for three and a half fun-filled hours, during which the children will be treated to a star studded stage show featuring many local and national artists. A popular local band will keep the music going as the children enjoy the stage programme and the many other activities such as rides, face painting, merry-go-rounds, jumping castles and much more. There will be the opportunity for the children to meet our very special celebrity/guest artists too! With all this fun to be had, the children will need all the burger buns, chippies, drinks, fruit, water, lollies and ice-creams that we can provide.

The highlight of the day is where each child, according to age and gender, will come to collect **3 or 4 of their own personal high quality presents** from the impressive toy cave. Last year the gifts included large soft toys, Sports bags, cosmetic cases, Educational laptop computers, Pirate sets, remote controlled stunt cars and trucks, Kitchen sets, babies play mats, MP3 players, constructions sets and many more.

PROMOTIONAL SUPPORT

None of this would be possible without the support of Taupo businesses and we are asking each company for support by way of one of our packages to help us stage the 2011 Radio Network Special Children's Extravaganza.

In appreciation of their support, each supporter will receive

Promotion Advertising

We will schedule a minimum of 40 television commercials promoting the Certificates of Merit with the concept "Please support businesses displaying this Certificate of Merit as these are the people who made this day possible."

After the event a full page spread in a major Taupo newspaper will highlight the day's activities.

Most importantly you will be personally invited to attend this special day to see just how much joy your advertising support has brought these children.

Please join us in giving these children who face special challenges in life a day they will never forget!
